Results

Passed	<i>This test was marked as 'Passed'.</i>
dima p. 12/8/2024 12:48 PM	Steps

1

push Help, in the header on the left

Expected Result

opens chat window to address the administration

2

push Editorial, in the header on the right

Expected Result

opens a drop-down menu with links to sections and articles

3

push menu geolocation, in the header on the right, button to the right of Editorial, with a picture of the flag

Expected Result

opens the geolocation selection menu

4

push button to the right of menu geolocation

Expected Result

opens the language selection menu

5

push button to the right of language selection menu, green future

Expected Result

opens page with company description

6

push on the site logo, top left under the header

Expected Result

returns to the home page

push Customer Account, button on the top right

7

Expected Result

takes you to the registration page

8

push Open Cart, button on the top right

Expected Result

opens cart

9

push Search, top right, on the left of Customer Account

Expected Result

drop down menu for product search by word

10

push ALL CATEGORIES, button on the top left

Expected Result

opens a drop-down menu of categories, at first point

11

push New & Exclusive, button to the right of ALL CATEGORIES

Expected Result

opens a drop-down menu of categories, at New & Exclusive

12

push Coffee, button to the right of New & Exclusive

Expected Result

opens a drop-down menu of categories, at Coffee

13

push Tea, button to the right of Coffee

Expected Result

opens a drop-down menu of categories, at Tea

14

push Kitchen, button to the right of Tea

Expected Result

opens a drop-down menu of categories, at Kitchen

15

push e-Bodum®, button to the right of Kitchen

Expected Result

opens a drop-down menu of categories, at e-Bodum®

16

push Drinkware, button to the right of Kitchen

Expected Result

opens a drop-down menu of categories, at Drinkware

17

push Outdoor, button to the right of Drinkware

Expected Result

opens a drop-down menu of categories, at Outdoor

18

push Deals, button to the right of Outdoor

Expected Result

opens a drop-down menu of categories, at Deals

19

push Christmas, under header

Expected Result

opens window with Christmas merchandise

20 scroll Christmas deals by category

Expected Result

scrolling works correctly

21 push Christmas-Coffe in Christmas deals by category

Expected Result

opens window with coffeemaking equipment

22 push Christmas-Tea in Christmas deals by category

Expected Result

opens window with teamaking equipment

23 push Christmas-Drinkware in Christmas deals by category

Expected Result

opens window with Drinkware equipment

24 push Christmas-e-BODUM in Christmas deals by category

Expected Result

opens window with kitchen appliances

25 push Christmas-Kitchenware in Christmas deals by category

Expected Result

opens window with Christmas - Kitchenware

26

push Christmas - Outdoor in Christmas deals by category

Expected Result

opens window with Christmas - Outdoor

27

push Christmas - Storing in Christmas deals by category

Expected Result

opens window with Christmas - Storing

28

push Christmas - Gift Sets in Christmas deals by category

Expected Result

opens window with Christmas - Gift Sets

29

push Hosting, under Christmas deals by category

Expected Result

opens window with Christmas - Kitchenware

30

push Drinkware, under Christmas deals by category

Expected Result

opens window with Drinkware equipment

31

push Tea, under Hosting

Expected Result

opens window with teamaking equipment

32

push Coffe, under Drinkware

Expected Result

opens window with coffeemaking equipment

33

push Terms & Conditions, bottom left in the footer

Expected Result

opens window with terms and conditions

34

push Privacy Policy, bottom left in the footer under Terms & Conditions

Expected Result

opens window with Privacy Policy

35

push Legal Notice, bottom left in the footer under Privacy Policy

Expected Result

opens window with Legal Notice

36

push Information, bottom left in the footer under Legal Notice

Expected Result

opens window with Information

37

push Cookies Information, bottom left in the footer under Information

Expected Result

opens window with Cookies Information

38

push About Us, bottom left in the footer to the right of Terms & Conditions

Expected Result

opens window About Us

39

push Companies, bottom left in the footer under About Us

Expected Result

opens window Companies

40

push History, bottom left in the footer under Companies

Expected Result

opens window History

41

push Jobs, bottom left in the footer under History

Expected Result

opens window Jobs

42

push ISO - Quality Policy, bottom left in the footer under Jobs

Expected Result

opens window ISO - Quality Policy

43

push FAQ, bottom center in the footer to the right of About Us

Expected Result

opens window FAQ

44

push Catalogue, bottom center in the footer under FAQ

Expected Result

opens window Catalogue

- 45 push WEEE TDB, bottom center in the footer under Catalogue

Expected Result

opens window WEEE TDB

- 46 push Partners, bottom center in the footer under WEEE TDB

Expected Result

opens window Partners

- 47 push Rewards Information, bottom center in the footer under Partners

Expected Result

opens window Rewards Information

- 48 push Support, bottom right in the footer

Expected Result

opens window for contacting the administration

- 49 push on Facebook link, bottom right in the footer under button Support

Expected Result

opens window with Facebook page company

- 50 push on Instagram link, bottom right in the footer under button Support

Expected Result

opens window with Instagram page company

51

push on YouTube link, bottom right in the footer under button Support

Expected Result

opens window with YouTube channel company

52

push on Pinterest link, bottom right in the footer under button Support

Expected Result

opens window with Pinterest channel company
